Asian Economic Comment

HSBC's Frederic Neumann says there's a risk over the coming months that we'll experience the 'mother of all supply chain' stumbles: an Omicron-driven stall in factory Asia.

New year, new strains

Inflation and labour markets look to be the key topics of 2022. And, as HSBC's James Pomeroy explains, the growth outlook is very uncertain with plenty of upside and downside risks for the year ahead.

The climate in 2022

HSBC's Wai-Shin Chan says rhetoric must give way to policy, action and implementation this year as climate pledges are strengthened or brought forward.

ESG in 2022

ESG development should accelerate in 2022, as all stakeholders want to be seen to be sustainable, says HSBC's Wai-Shin Chan. However, progress is likely to be uneven given the various stages of market development globally.

Europe COVID-19 tracker

Omicron seems to be peaking in some European countries such as the UK. But HSBC's Chantana Sam says that with new cases rising sharply and health systems still under pressure, caution prevails for now.

Asia COVID-19 & Vaccine Tracker

Omicron cases continue to soar in Asia, putting pressure on governments to roll out booster shots, say HSBC's Yun Liu and Frederic Neumann.
