FX Focus

Central bank digital currencies are slowly taking shape but linking them for cross-border transactions has been no easy feat. Common rules of engagement and technology are needed – and this is where the focus lies, say HSBC's Paul Mackel and James Pomeroy.

The next generation of spenders

Over the next couple of decades, the world will have more than a billion new middle class consumers. Their higher incomes and changing tastes are likely to propel consumer spending much higher, notably in the emerging world, says HSBC's James Pomeroy.
