Open pass | Free to Read | HSBC Global Research

### Has the office return already peaked?

As offices remain half full across the developed world, HSBC's James Pomeroy says there's growing evidence that occupancy may not rise as workers place a large value on flexibility.

## Europe macro tracker

HSBC's Chantana Sam says business and consumer surveys have signalled a significant decline in expectations in Europe. Meanwhile, governments are continuing to ramp up their fiscal support.

## The Macro Viewpoint

European economics, USD, PMI update

In this edition we assess the impact of the latest supply shock on Europe, consider what higher US interest rates mean for the dollar and find out what the latest PMI data are telling us about the global economy.
